CAREER OPPORTUNITY

Registered Nurse

LOCATION: Thompson, MB

FACILITY: Thompson General Hospital

SUMMARY

Assumes professional responsibilities and complies with clinical practice standards and regional policies and procedures for the coordination and delivery of patient/client/elder care in the assigned areas. Works within an interprofessional team and functions within the provisions of the College of Registered Nurses of Manitoba (CRNM) Standards of Practice, Canadian Nurses Association (CNA) Code of Ethics, the Regulated Health Professionals Act in accordance with level of expertise, training, and experience. Has the authority to make clinical practice decisions and delegate duties to other health care workers as appropriate. May be assigned Charge responsibility for a unit(s) and will be expected to assume those responsibilities. The Charge Nurse is accountable to coordinate care on the unit, plan, and coordinate discharge services with other agencies, use resources prudently and effectively, give direction to and supervise the activities of others and demonstrate initiative and independence in meeting these Charge responsibilities.

QUALIFICATIONS

- Current active practicing registration with College of Registered Nurses of Manitoba (CRNM) and the Regulated Health Professionals Act
- Unit specific clinical certificate
- Current certification from a recognized Basic Life Support (BLS) Healthcare Provider, or obtain within three (3) months of commencing employment
- Will be required to successfully complete unit specific certifications/training in the units orientated to work
- Knowledge of and ability to practice according to the CRNM competencies and standards of practice
- Working knowledge of Windows based programs (Microsoft Word, Excel, Outlook) and Internet
