CAREER OPPORTUNITY

Public Health Nurse – Outlying Communities

This is a term position resulting from a maternity leave; expiry date of term position is subject to change with a two (2) week notice. This position is based in Thompson, but will travel weekly to Leaf Rapids.

LOCATION: Thompson, MB

FACILITY: NRHA Services Building

SUMMARY

The Public Health Nurse provides regional support at the sites comprised of the Northern Health Region (NHR) and promotes health based on the Population Health Model within the Region. Responsible for the overall leadership of initiatives, activities, and programs within the assigned Public Health role. This will be achieved through expertise in the six critical program areas of prevention, education, care, management, support and research. Creates interdisciplinary collaborative relationships with fellow health care team members and other community agencies to ensure a high standard of practice and delivery of quality client care.

QUALIFICATIONS

- Baccalaureate Degree in Nursing
- Current active practicing registration with College of Registered Nurses of Manitoba (CRNM)
- Current certification from a recognized Healthcare Provider Basic Life Support (BLS), or obtain within three (3) months of commencing employment
- Must have a valid Manitoba Class V driver's license, access to a vehicle, and be willing to use it to travel throughout the region year round
- Certification in Community Health Nursing through the Canadian Nurses Association preferred
- Two (2) years' experience within the past five (5) years in Public Health/Community Health nursing with emphasis on health promotion, illness prevention, health protection, and community development/mobilization.
