### **POSITION SUMMARY**

Responsible for providing clinical expertise for employees in Acute Care and ensuring clinical standards of practice, care maps, procedures, and related activities are being met. Collaborates with all members of the multi-disciplinary team in the provision of holistic and culturally safe care. Practices nursing as defined by the Registered Nurses Act and must be able to function effectively in a dynamic and demanding environment utilizing the nursing process of assessment, planning, implementation, and evaluation. Utilizes advanced skills and knowledge and performs at a high level of independence as a Best Practice Educator, leader, and consultant. Provides direct care as required. Must have the ability to work in an environment that promotes and is conducive to all patients (medical, surgical, pediatric, obstetrical, and behavioural health). The majority of work will be alongside the staff as the Best Practice Educator assists in building skills and abilities.

### **QUALIFICATIONS**

- Baccalaureate Degree in Nursing is required
- Current active practicing registration with College of Registered Nurses of Manitoba (CRNM)
- Current certification from a recognized Healthcare Provider Basic Life Support (BLS)
- Certification in ACLS, ENPC, NRP; Maintenance of current certification is required
- A minimum of three (3) years' out of the last five (5) years' experience in acute care
- Excellent knowledge of Windows based programs (Microsoft Word, Excel, Outlook, Lync, PowerPoint, Adobe Acrobat, Emergency Department Information System (EDIS)) and Internet, including web-based resources (Absorb, Lexicomp, Mosbys)
- Ability to speak Cree an asset
- Satisfactory employment record required
- Successful candidate subject to provide security checks in accordance with Security Checks for Employment Policy (HR-02-80). Waived for internal candidates with current checks on file.
