### POSITION SUMMARY

The Public Health Nurse provides regional leadership and support at the sites comprised of the Northern Health Region (NHR) and promotes health based on the Population Health Model within the Region. Responsible for the overall leadership of initiatives, activities and programs within the assigned Public Health role. This will be achieved through expertise in the six critical program areas of prevention, education, care, management, support and research. Creates interdisciplinary collaborative relationships with fellow health care team members and other community agencies to ensure a high standard of practice and delivery of quality client care.

Guided by the NHR Public Health Principles, including health equity, harm reduction and a commitment to outreach and non-judgmental services, this position will strive to improve the health status of the residents of the Northern health Region (NHR) working from an advanced understanding and knowledge of Disease Management, harm reduction, population health, determinants of health, and case management delivered within a public health framework. Develops and implements health strategies from a trauma informed care and client centered strength/holistic approach.

The incumbent must fulfill the requirements of the Criminal Records/Vulnerable Person, Child Abuse Registry check and Adult Abuse Registry check, and adhere to all Northern Health Region policies and procedures.

### QUALIFICATIONS

- Baccalaureate Degree in Nursing
- Current active practicing registration with the College of Registered Nurses of Manitoba (CRNM)
- Current certification from a recognized Basic Life Support (BLS) Healthcare Provider, or obtain within three (3) months of commencing employment
- Must have a valid Manitoba Class V driver's license, access to a vehicle, and willing to travel the Region year round
- Certification in Community Health Nursing through the Canadian Nurses Association preferred
- Two (2) years' experience within the past five (5) years in Public Health/Community Health nursing with emphasis on health promotion, illness prevention, health protection, and community development/mobilization
- Thorough knowledge of Windows based programs (Microsoft Word, Excel, Outlook) and Internet
- Successful candidate subject to provide security checks in accordance with Security Checks for Employment Policy (HR-02-80. Waived for internal candidates with current checks on file.
