4.0 PROCEDURE / RESPONSIBILITIES

4.1 The Applicant

- 4.1.2 May make an oral request for access to a record if they have a limited ability to read or write English or French, or has a disability or condition that impairs their ability to make a written request.
- 4.1.3 Must provide enough detail to enable the FIPPA Access and Privacy Coordinator to identify the record.

4.2 The FIPPA Access and Privacy Coordinator

- 4.2.1 Reviews the request to determine if the information is maintained by NHR, whether the application is understandable and complete, and, if necessary contacts the applicant to seek clarification.
- 4.2.2 Considers transferring the application to another public body within ten (10) days after receipt if:
 - the record was produced by or for the other public body;
 - the other public body was the first to obtain the record; or
 - the record is in the custody or under the control of the other public body.

Before transferring an application, the FIPPA Access and Privacy Coordinator ensures that the second public body has the requested record and agrees to the transfer.

The FIPPA and Access Coordinator notifies the applicant that the request has been transferred in writing.

- 4.2.3 If the information is available through existing policies or procedures, the FIPPA Access and Privacy Coordinator:
 - notifies the applicant as soon as possible and advises them of the existing process. In most cases if existing procedures permit access, the NHR simply provides the information, subject to any copying charges. In some cases, the applicant may be required to complete certain existing forms;
 - confirms that the applicant wishes to withdraw the application under FIPPA and ensures that the applicant is fully advised of the existing process to obtain the record. This is noted on the FIPPA application form;

 - the number of requests made by the applicant or by two (2) or more applicants who are associated within the meaning of the regulations;
 - time is needed to consult with a third party, or another public body, or to obtain legal advice, before deciding whether or not to grant access to a record
 - the third party makes a complaint to Manitoba Ombudsman about a decision to grant access;
 - the applicant consents to the extension; or
 - exceptional circumstances warrant the extension.
- 4.2.6 Notifies the applicant with an estimate of costs if search and preparation is likely to take longer than two (2) hours, or computer programming or data processing fees will be incurred.
- 4.2.7 If additional information is required, the FIPPA Access and Privacy Coordinator must put the request for additional information in writing to the applicant. An applicant has up to thirty (30) days from the day the request is given to provide additional information, and if the additional information is not provided within that time, the FIPPA Access and Privacy Coordinator may determine that applicant has abandoned the application.

- 4.3.1 Receives the request from the FIPPA Access and Privacy Coordinator and responds as soon as possible:

 - if they are unable to supply the information within this time frame;
 - if the information is not available; or
 - if they are forwarding the request to another person.

Forwards the records requested in the application to the FIPPA Access and Privacy Coordinator.

4.4 The FIPPA Privacy and Access Coordinator

The record(s) are severed in accordance with prescribed procedures as per [AD-04-50 FIPPA Severing of Information](#).
- 4.4.2 Prepares a draft response and shares the draft (de-identified) response with the Communications Coordinator and ELC member of the program that is responsible for the records. The ELC member makes the final decision regarding disclosure of information.
- 4.4.3 Advises the applicant whether access to the requested information is granted in full, granted in part or refused.
