DIABETES EDUCATOR DIETITIAN

Location: Thompson, MB.

Facility: NRHA Services Building

JOB POSTING NUMBER	TM-2024-267	POSITION CODE	885-1PHDER-CHTD_01
DEPARTMENT	PUBLIC HEALTH		
JOB STATUS/FTE	Permanent/1.0 FTE	ANTICIPATED SHIFT	7.25 hour days
WAGE RANGE (excluding 20 year step)	\$33.244 - \$44.523	UNION AFFILIATION	MAHCP

POSITION SUMMARY

The Diabetes Educator Dietitian is an integral member of a multi-disciplinary team, who will promote nutritional health within the community. This will be achieved through expertise in diabetes, specifically in the six critical program areas of prevention, education, care, management, support and research. The Diabetes Educator Dietitian will create interdisciplinary collaborative relationship with fellow health care team members, and other community agencies to ensure a high standard of practice and delivery of quality client care.

Guided by Northern Health Region Primary Health Care principles, this position will strive to improve the health status of the residents of the Northern Health Region (NHR). Working from an advanced understanding and knowledge of Chronic Disease Management, harm reduction, population health, community health development social determinants of health, and case management delivered within a primary health care framework, the Diabetes Educator Dietitian will develop and implement health plans from a client centered strength based/holistic approach.

This position functions within the provisions of the Vision, Mission, Values, Policies and Procedures of the NHR.
