Location: Thompson, MB

Facility: NRHA Services Building

JOB POSTING NUMBER	TM-2024-575	POSITION CODE	885-1PHHP-CHTD_01
DEPARTMENT	ALLIED HEALTH		
JOB STATUS/FTE	Permanent/1.0 FTE	ANTICIPATED SHIFT	D8
WAGE RANGE	\$33.244 - \$44.523	UNION AFFILIATION	MAHCP

POSITION SUMMARY

The Community Dietitian is an integral member of a multi-disciplinary team, who will promote nutrition through population health, community mobilization, and community health development. Creating an interdisciplinary collaborative relationship with fellow health care team members, and other community agencies to ensure a high standard of practice and delivery of quality client care. Guided by Northern Health Region Primary Health Care principles, will strive to improve the health status of the residents of the Northern Health Region (NHR). This will be achieved through his/her expertise in nutrition assessments and clinical based service delivery, health related community action and development, health promotion and education, harm reduction, health protection, social determinants of health, illness and injury prevention, management of chronic illness, clinical services, and research. The Community Dietitian will develop and implement health plans from a client centered strength based/holistic approach.

This position requires some provision of services and travel to outlying communities.

The NHR endorses the Principles of Harm Reduction and, as per policy, all staff will establish a context that supports individuals, families and communities in making healthy decisions directed toward reducing or containing the adverse health, social and economic consequences of behaviors, attitudes and environments that may increase risk to a person's health.
