POSITION SUMMARY

My Health Teams is built around strong partnerships. As a member of the team, you will work to help patients and clients get the care they need, when they need it. The primary goals include improving access, providing safe, quality care, increasing focus on patient-centered care, connecting care providers to provide seamless transitions in care and improving efficiency and supporting sustainability of the health system. The My Health Team Facilitator is responsible for leading the development of the My Health Team initiative within the Northern (geographic) Region. The incumbent will assist the inter-professional team in achieving identified My Health Team goals as well as other provincial priorities. The incumbent will work in collaboration with key stakeholders from Opaskwayak Health Authority (OHA) and Northern Regional Health Authority (NRHA). As the Northern My Health Team develops, additional partners may join.

This position requires service and travel to outlying communities within the region and the province.
